**RAPTIS ESTATE**

*Raptis Estate 2004 Peloponnese Red Rock*

*This wine is produced in Peloponnese, from the French varieties Cabernet Sauvignon and Merlot. Typical red fermentation in stainless steel tanks, maceration 10-12 day, malolactic fermentation. Maturation for one year in oaked barrels and six month in the bottle. Its name was inspired from the Red Rock, located opposite the Rapti's Winery.. It declares the deep red color, the impressive bouquet of red fruits and spicy aromas, the rich and well-balanced body of the wine*

**RAPTIS ESTATE**

*2004 Nemea*

This wine is produced in Nemea (Peloponnese), from the Greek variety Agioritiko. Typical red fermentation in stainless steel tanks, maceration 10-12 days, malolactic fermentation. Maturation for one year in oaked barrels and six months in the bottle. It is characterized by a deep ruby color, aromas of red fruits and spices. Full and smooth in the mouth, soft tannins and long aftertaste.
